Maciej Płonka

FullStack Developer

Email: kontakt@plonkamaciej.pl   Phone: 799876305
Location: Gliwice, Poland   Website: plonkamaciej.pl

PROFESSIONAL SUMMARY

I am a dedicated and highly motivated FullStack Developer with experience in building scalable, high-performance applications. My expertise lies in JavaScript and React, including React Native, which I have leveraged to create innovative solutions for complex problems. I thrive in collaborative environments where I can combine technical proficiency with analytical thinking to deliver robust, user-friendly applications.

SKILLS

- React, React Native
- JavaScript, TypeScript
- Python, C++, Java
- SQL, noSQL
- Docker
- Git, DevOps
- Object-oriented programming
- Linux, Windows, MacOS
- Team collaboration
- Problem-solving

WORK EXPERIENCE

Software Engineer

Adapt-e, Zabrze, Poland | May 2024 - Current

- Consistently met project deadlines by effectively managing time and prioritizing tasks according to importance.
- Analyzed proposed technical solutions based on customer requirements.
- Developed scalable and maintainable code, ensuring long-term stability of the software.
- Collaborated with management, internal, and development partners regarding software application design status and project progress.

Apprentice

Erasmus, Leipzig | June 2019 - July 2019

Internship Student

Lentex, Lubliniec, Poland | January 2019 - March 2019

EDUCATION

Silesian University of Technology, Gliwice

Bachelor of Science in Computer Science | Expected 2025

My academic journey has provided me with a strong foundation in computer science principles, including algorithms, data structures, and software development methodologies.

LANGUAGES

Fluent in Polish (native language) and English (C1 level), enabling effective communication in both local and international professional environments.
